

POLICY 6421

SERVICES FOR STUDENTS WITH DISABILITIES

In recognizing its responsibility to provide a complete and appropriate education for all students of the District, the School Board shall provide services for all students with disabilities. The District shall ensure that all related services needed to assist an individual student to benefit from special education services will be provided. Students with disabilities will be educated within the least restrictive environment that will satisfactorily meet their educational needs.

These procedures shall meet state and federal law requirements, including child find activities, least restrictive environment, Individualized Education Program and due process.

The District shall adhere to all due process safeguards for parental rights and appeal within the parameters of state and federal laws governing the operation of services for students with disabilities. The Director of Special Education and Student Support will be responsible for implementing procedures to ensure that students and parents are afforded the procedural safeguards established by State and Federal laws.

The District will attempt to locate all students residing within the District who have a disability regardless of the severity of the disability and who are in need of special education and related services. The District shall utilize an Individualized Education Program Team approach when evaluating students suspected of having a disability. The Individualized Education Program Team shall determine and document that a student has a disability and a need for special education and related services.
