

Discover Why Sylvan is a “Grade Changer”

Sylvan will get them on track and address any concerns. They will not only work on the **exact areas** your child needs to master in order to **bring grades back up**, but also ensure your child has got the skills to be where they should be for long-term academic success!

With Personalized Tutoring, your child will:

- **Thrive with personal attention.** The learning experience is truly engaging and effective!
- **Be exactly where they need to be.** They get targeted instruction for the exact skills they need to stay on track with school.
- **Have F-U-N!** Our friendly team of experienced educators are amazing at motivating and encouraging students. Our students love the high-fives and big-time smiles at every session.
